

Homework Club

Does your child need help with their homework? Does your child have a problem completing their homework? Does your child need a place to study? Well, this is the place to be! Emerson Middle School has a homework club that can help your child with all their needs. We can assist your child with homework, and help them acquire the tools to be more successful in school!

Every Monday, Tuesday, and Wednesday, your child is invited to attend the Homework Club. We meet from 2:50-3:50. We will have teachers, student teachers, Franklin National Honor Society, and Stevenson Global Education members to work with our Emerson students.

Please remember that it is a privilege to be able to attend such a program. Each student must:

1. Come prepared with homework. No one may attend without homework!
2. Observe "quiet etiquette" and school rules per the student handbook
3. Have an on-time ride or permission to walk home.

Please understand, if your child is not walking, you must provide on-time (3:50) transportation. Teachers cannot leave students unattended waiting for a ride.

If you are interested in this wonderful club, please fill out the permission slip below and have your child bring it to Homework Club. Homework Club is an "as you need it", voluntary activity. This permission slip means when they need it, they *can* come if they have homework, please do not tell them to come if they have no work.
