

Homework Club

Does your child need help with their homework? Does your child have a problem completing their homework? Does your child need a place to study? Well, this is the place to be! Emerson Middle School has a homework club that will help your child with all their needs. We will be assisting your child with homework, and we will also give them the tools to be more successful in school!

Every Monday and Wednesday, your child is invited to attend the Homework Club. We will meet from 2:50-3:50, and there will be people here to help out! We will have teachers, student teachers, Franklin National Honor Society students, and Stevenson Global Education students assisting in your child's academic success!

Remember, it is a privilege to be able to attend such a program. Each student must:

1. Come prepared with homework. No one may attend without homework!
2. Raise hand for assistance
3. Observe library "quiet etiquette" and school rules per the student handbook
4. Have an on-time ride or permission to walk home.

If you are interested in this wonderful club, please fill out the permission slip below and have your child bring it to Homework Club. Homework Club is an "as you need it", voluntary activity. This permission slip means they *can* come, not they *must* come.

*Please understand, if your child is not walking, you must provide on-time transportation.
Teachers cannot leave students unattended waiting for a ride.*
