

Minecraft Club will meet on **Fridays after school until 3:55 pm in Room 20** (Mr. Dewey’s Computer Lab). Students will be engaged in discussion about Minecraft. They will watch videos, discuss tactics, and play the game itself.

There is no fee to participate in Minecraft Club, but if students wish to play during this time, they will need an official Mojang Minecraft login and password. This should be set up prior to attending. Everyone is welcome to come and discuss strategy and enjoy the company of fellow Minecrafters. There will be playable accounts available on a first-come basis. Students should bring items they are taking home to MC Club. They will not be able to stop at their lockers afterwards.

Thank you,

Mr. Dewey
