ParentConnection
Livonia Public Schools

We are pleased to announce Livonia Public Schools' K-12 Wayne County Regional Educational Service Agency's Zangle ParentConnection program. Parents and guardians will have access to the information listed below for all of your students attending Livonia Public Schools. Since this system is new this year, some information will not be available on the first day of school. Information, such as assignments and grades, may not be visible for a few weeks. This will allow the teachers time to enter and verify the information.

You will access ParentConnection information through a secure website, using the PIN (Personal Identification Number) and password which will be mailed to parents and guardians during the first few weeks of school. Once school starts, you will find complete instructions on accessing the site and additional information on our website at www.livoniapublicschools.org under ParentConnection Information, located under the Parent link. Unlike our previous system, ParentConnection requires only one PIN and password for you to access all of your students' information from one screen. Secondary students will also receive a StudentConnection PIN and password and will be able to view information pertaining to their educational career.

Student Data

The following modules will be available to parents. Elementary students will have some modules, and as the student progresses through the grades, more modules will become available, as the data is available.

- **School News – All Students**
  Important items and events that are occurring at the school or a link to the schools' website.
- **Demographics – All Students**
  Student information, such as name, address, telephone number, birth date, school counselor, etc. Please notify your student's school if any of the information is inaccurate.
- **Contacts – All Students**
  Contact information that has been provided on the emergency card. Please notify the school if any of the information is inaccurate.
- **Schedule – Middle and High School Students**
  The student's daily schedule for the current term only. *This module will become unavailable at times throughout the year while scheduling is being finalized.*
- **Attendance – All Students**
  Your student's attendance for the current school year. If you have any questions about the attendance, please contact the classroom teacher.
- **Assignments – Middle and High School Students**
  Classroom assignments and the scores. Please allow the teacher time to score assignments, as some projects take longer than others for the

teacher to grade. Teachers are committed to entering the scores as quickly as possible.
- **Marks – Middle and High School Students**
  Progress report and record card marks for the selected student for the current school year. The information may be viewed *by term* or *by period.*
- **Standards – Elementary and Upper Elementary Students**
  The report card for elementary and upper elementary students.
- **Transcript –Middle and High School Students**
  Shows the complete history of grades and credits earned at middle or high schools for your student.
- **GPA – High School Students**
  The grade point average for the selected student.
- **Grad Rqmnts – High School Students**
  Graduation requirement status showing the number of credits the student has received and the number needed for graduation.
- **Health – All Students**
  Health information for the selected student, such as allergies, etc.
- **Cafeteria – All Students**
  Allows parents to place deposits into their students' accounts using PayPal. Displays the student's account, the balance in the account and the types of items purchased.
